MUSLIM CEMETERY AT ABBEY VIEW MEMORIAL PARK

Abbey View Memorial Park in Brier, Washington has served families since 1953 as part of Evergreen Washelli. Centrally located just north of Seattle with easy access to the Eastside. Our beautiful 85 acre property nestled in a gentle hillside includes a scenic lake and is flanked by the Cascade Mountains. The quiet charm and serenity offers families and visitors a special place to honor loved ones in reflection.

There is an opportunity for establishing a parcel of land that can be custom designed for the Islamic community to establish a private resting place that will have a dedicated entrance and perimeter which would be maintained by the grounds staff at Abbey View.
